

Sheldon Schur / VP/GM of Manpower Professional, U.S.

Sheldon Schur is Vice President/General Manager of Manpower Professional in the U.S., which specializes in employment services for engineering, IT, finance, science and other sectors. In this role he oversees a large network of offices that serve clients across the U.S.

In his previous role that included being responsible for the leadership and direction for the Manpower Business Solutions team, Schur was named a Top HRO Superstar by *HRO Today* magazine.

Schur joined Manpower in 2006 from Comsys/Metamor, an IT staffing firm, where he was Senior Vice President – Midwest. During his seven-year tenure, Schur drove profitable growth and was responsible for record-setting sales revenues. He also achieved the two largest deals in the company's history with combined revenue projected at more than \$850 million. In addition, he was responsible for helping drive its MSP and IT solution practice.

Prior to his time in the staffing industry, Schur spent 15 years in the health care industry, including president of a start-up company in the assisted living market and 10 years in multiple leadership roles at American Hospital Supply Co. Schur also serves on the board of directors of the Hoffman Co., a hardware distribution business; and The Intensivist Group, a leading national provider of critical care services to community hospitals.

Schur holds a bachelor's degree in business administration/marketing from the University of Iowa. He and his family currently reside in Riverwoods, Ill.
