

## Julie Krey / Vice President, Finance – the Americas

Julie Krey, Vice President of Finance for the Americas, is involved in leading and driving overall enterprise strategy and performance. She is responsible for reporting and analysis; payroll; credit and collection; strategic sourcing and real estate; and risk management.

Krey joined Manpower in 1995 as a Senior Internal Auditor within the Global Finance organization. Four years later, she joined the company's U.S. Finance team as Director of U.S. Accounting, Reporting and Analysis. As a director, Krey led several key corporate initiatives including developing and implementing the expanded procedures and controls required by the Sarbanes-Oxley Act.

Prior to joining Manpower, Krey, a CPA, began her professional career with the Deloitte & Touche accounting firm. Her experience with D&T included two years in Australia and an assignment as the first-ever female manager of the firm's Adelaide, Australia, office.

Krey holds a bachelor's degree in accounting from the University of Wisconsin-Milwaukee. She is a volunteer board member and treasurer for Our Next Generation. Krey resides in the Milwaukee area.
